## MISSION STATEMENT

The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. Fáilte roimh gach éinne.

## Eleventh Sunday of the Year - 12th June 2016

When Jesus took the jug and basin in the Upper Room you'd wonder how many remembered today's Gospel Passage when the woman washed the feet of Jesus? Chances are the link wasn't made but it seems likely there was a link.

The woman before us in this weekend's liturgy let her tears fall on the feet of Jesus and dried the tear soaked feet with her hair. People looked on disapprovingly but Jesus called them to a recognition of the woman and her desire for forgiveness. Her act of humility touched the heart of Jesus and he responded with words of forgiveness. Her life would never be the same.

In the Upper Room, when Jesus took basin, jug and towel he too was calling the disciples to an awareness of the need to be humble, the urgency for forgiveness and to an on-going and committed service of one another and all people. The washing then, be it with the tears of the woman or the poured water from the hands of Jesus remains a model for us all. We must remain committed to looking after one another, not least the most vulnerable and defenceless in our midst.

The message seems fairly clear. We need to look after one another from head to toe. Anything less isn't service. Anything less falls short of love. Anything less is less than He'd want .....

For more info and to book online, see [www.youth2000.ie](http://www.youth2000.ie) or phone 01 6753690. This is a very good group of people and we encourage some of our younger people to consider going along this year. If you want to talk about this, please get in touch with either of the priests of the parish. It might well be a good time to explore your faith a little deeper and this gathering gives the chance to do just that.

## **TELLUS SURVEY**

The Tellus survey, collecting the latest geological information across Ireland, is due to commence its next airborne surveying phase over counties Galway, Mayo and neighbouring parts of Roscommon, Offaly, Clare and Tipperary from early June 2016. The survey involves an aircraft flying at a low height (60m). The sound of the plane is similar to that of a passing lorry; however it may startle sensitive animals such as horses, pedigree cattle, sheep-in-lamb and poultry flocks. Ground sampling of counties

May, west Galway and north Clare has already commenced and will run through to the autumn months. Samplers – who work in pairs and carry I.D. - will be collecting soil and stream samples. If you have concerns, particularly if you own sensitive livestock, you can contact the Tellus Freephone information line on 1800 303 516 or visit [www.tellus.ie](http://www.tellus.ie)

his own;  
look with mercy on those who today  
are fleeing from danger,  
homeless and hungry.  
Bless those who work  
to bring them relief;  
inspire generosity and compassion  
in all our hearts;  
and guide the nations of Europe  
towards that day  
when all will rejoice in your  
Kingdom of justice and peace.
