MISSION STATEMENT

The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. Fáilte roimh gach éinne.

28th Sunday in Ordinary Time – 13th October 2013

Some time was spent this week updating our Parish Website - www.kilmoveeparish.com

The site is intended to be a resource for the parish and includes items of interest to our parish life, Rotas for Readers, Ministers of The Eucharist, Altar Servers etc (not all of these have been updated just yet but will be in the coming days). There are also links to the daily and Sunday Mass Scripture Readings and the Parish Bulletin is posted on line each week. (www.kilmovee.info - the Community Council Website also links to the weekly bulletin) The site has links to each of the Church areas and includes pictures of the churches, Mass and Sacrament Times etc. Photographs of some parish events are also included and this will be an on-going feature of the website.

We might also include death and funeral notices from the parish and, where possible, a photograph of those who have died as a memory of our people and a reminder to all of the need to keep in prayer those who have died and their families. This is something we might look towards doing for the coming year but only with the consent and approval of families involved.

The website is a great resource to have in our Faith Community and hopefully it will continue to grow and develop with us. It is only as good as the content and links supplied and every effort will be made to ensure the quality of both.

If you haven't made much use of the website up to this point, maybe now might be a good time to start. If you have been visiting, please continue to do so and spread the word to family and friends away from the parish. It is a Church Presence, from the parish of Kilmovee, available twenty-four hours a day.
