The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. *Fáilte roimh gach éinne.*

The Second Sunday of the Year - 17th January 2016

Miracles at the table!

As we celebrate the great Miracle at the Cana Wedding Feast, we thank the Lord for his presence and intervention in our lives.

There's a story told of a man, cynical about religion, challenging a friend who lived his faith. "If you believe in the Lord", the man said as he passed him jug of water, "ask your Jesus to turn that into wine!" The other refused but his friend insisted "if you truly believe in Jesus and his miracles, ask him to do this and I too will believe. Let me see one of the miracles you all talk so much about".

The other man said nothing for a while, much to the annoyance and amusement of his cynical friend. Then he said, "I believe in miracles. I've experienced miracles. Can we leave it at that?" "No," the other insisted, "let me see the miracle of the water being turned into wine". "I'll not do that or ask for that", said the other. "For much of my earlier life I battled with alcohol and it won every time. Then one day, in prayer I asked Jesus for a miracle and on that day, for me, he turned wine to water".

Miracles take many forms!

Our new unforgettable challenge to the Islands of Sardinia (Italy) and Corsica (France), takes place on Sunday 9th – Sunday 16th October 2016. We are looking for walkers of all capabilities to join us and Walk for Wishes, whilst enjoying an amazing experience and well planned and organised walking challenge! Places are limited and the total amount to be raised by each participant for the walk is a minimum of €3,500, which includes all aspects of the trip. If anyone would like to take part, please contact mary@makeawish.ie, or call the Make-A-Wish Ireland office on 01 205 2012.

KILMOVEE CODERDOJO

CoderDojo is a global movement of free, volunteer-led, community based programming clubs for young people. At a Dojo, young people, between 7 and 17, learn how to code, develop websites, apps, programs, games and explore technology in an informal and creative environment. In addition to learning to code attendees meet like minded people and can be introduced to all possibilities of technology. The response has been great so far with parents looking for information and pre-registering which is now taking place. Kilmovee CoderDojo will need volunteers... There are many ways in which you can volunteer with Kilmovee CoderDojo, whether you are technical or not. We're looking for technically skilled mentors to help out, for a couple of hours a week, helping share their knowledge with local young people. We are also looking for non-technical volunteers to help with a wide array of tasks, from registration and administration through to keeping the website/social media up to date. Volunteering isn't just for individuals and we would welcome volunteering, in both time and resources, from within businesses and organisations who have the resources to assist. For further information contact kilmoveecoderdojo@kilmovee.info or search [kilmoveecoderdojo](https://www.facebook.com/kilmoveecoderdojo) on facebook.
