## 2nd Sunday of the Year – 19th January 2014

### CATHOLIC SCHOOLS WEEK

**I**t's mentioned elsewhere in this week's bulletin that we will (next week) celebrate the work done in "Catholic Schools". As we prepare for this, we thank God for the three schools in our parish, the work done there, the dedication of our teachers, the invaluable support of parents and the facilities available to and for the children of the parish. We thank God as well, for the friendships made in the school room and yard and pray that these, together with lessons taught and learned, will sustain our young people long into the future.

I was reminded of these photographs as mention was made of "Catholic Schools Week". We spare a thought for children in other countries who attend daily, study intently and hope for a better world. We applaud their teachers too, and note the absence of technology and facilities but the lived presence of teacher and pupil as they work with and for each other.

That we may share their enthusiasm, learn from their determination and be renewed in gratitude for all that we could and might, all too easily, take for granted.

### **PLEASE PRAY FOR**

We remember Tommy Duffy, Jersey (late of Carralackey) who died recently (brother of the late Peter Duffy, Cashel and Mary Grennan, Urlaur), Michael Rushe, Manchester and late of Carrowbeg. who died during the week (burial will take place in Manchester) and, in a special way, all whose anniversaries occur around this time. May they rest in peace.
