## MISSION STATEMENT

The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. *Fáilte roimh gach éinne.*

### 29th Sunday in Ordinary Time – 20th October 2013

Since its founding in 1926, World Mission Sunday has been entrusted to the Society for the Propagation of the Faith, founded by Pauline Marie Jaricot.

"World Mission Day, which seeks to heighten awareness of the missions, as well as to collect funds for them, is an important date in the life of the Church, because it teaches how to give: as an offering made to God, *in* the Eucharistic celebration and *for* all the missions of the world." (*Redemptoris Missio* 81)

The celebration of Mission Month this year has a very special meaning as we come to the end of the Year of Faith. "Faith is a gift that is given to us to be shared. It is a talent received so that it may bear fruit. It is a light that must never be hidden. It is the most important gift that has been given to us in our lives and which we cannot keep to ourselves." (Pope Benedict XVI)

World Missions, Ireland - the work of the Pontifical Mission Societies brings the prayers, solidarity and financial help of the Church in Ireland to Christian communities in other parts of the world, especially those in greatest need.

Each Mission Sunday we celebrate that we are growing in faith with the younger Churches throughout the world as we offer them our prayers and material support. Our entire Mission Sunday collection is made available to the Universal Solidarity Fund to be distributed to as many as 1,100 young Churches, and to help train novices and seminarians. The Irish Office sent more than €2 million, collected in the thirty-two counties last year, to help build up the Church in countries in Africa, Asia and Latin America, as well as helping in the training of novices and seminarians.
