The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. Fáilte roimh gach éinne.

**Mission Sunday - 23rd October 2016**

## **"Missionary Church, Witness of Mercy"**

All peoples and cultures have the right to receive the message of salvation which is God's gift to every person. This is all the more necessary when we consider how many injustices, wars, and humanitarian crises still need resolution. Missionaries know from experience that the Gospel of forgiveness and mercy can bring joy and reconciliation, justice and peace. The mandate of the Gospel to "go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you" (Mt 28:19-20) has not ceased; rather this command commits all of us, in the current landscape with all its challenges, to hear the call to a renewed missionary "impulse", as I noted in my Apostolic Exhortation *Evangelii Gaudium*: "Each Christian and every community must discern the path that the Lord points out, but all of us are asked to obey his call to go forth from our own comfort zone in order to reach all the 'peripheries' in need of the light of the Gospel"

This Jubilee year marks the 90th anniversary of World Missionary Day, first approved by Pope Pius XI in 1926 and organized by the Pontifical Society for the Propagation of the Faith. It is appropriate then to recall the wise instructions of my Predecessors who ordered that to this Society be destined all the offerings collected in every diocese, parish, religious community, association and ecclesial movement throughout the world for the care of Christian communities in need and for supporting the proclamation of the Gospel even to the ends of the earth. Today too we believe in this sign of missionary ecclesial communion. Let us not close our hearts within our own particular concerns, but let us open them to all of humanity.
