## **YEAR OF PRAYER 2014**

Killasser is the focus parish of our prayer this week. 'No matter what you have done, I love you for your own sake. I know you through and through. I know everything about you. I have followed you through the years and I have always loved you. I tell you again that I love you, not for what you have or haven't done. I love you for you for the beauty and dignity my father gave you by creating you in his own image. I cherish you more than you can possibly imagine, to the point of dying on a cross for you. That is how precious you are to me .... there is no one more important in the entire world than you' [Attributed to Mother Teresa] We are praying for our diocese because ... as individuals and as a community we know that prayer has the power to draw us ever closer to Jesus who loves us with such amazing and unconditional love.
