THE ROAD TO

Someone once said that for the sailor who doesn't know where he is going, no wind is helpful. It makes sense really. It's only when there's a destination or purpose in mind that the wind behind your back is of any real use.

The same can be said of the road. If we don't know where we're going, it could be said that "no road is helpful". I once heard of a young man who, finding himself in a strange place, asked a Garda where the road would take him and the reply, though not particularly helpful, was on the button "*It will take you anywhere in the world you want to go*"!! I think my friend would have been happy to know the next town but, in theory, the Garda was right. Where my friend stood was, in truth, the road to anywhere in the world as long as he knew where he wanted to go.

Jesus is aware of his destination in this weekend's Gospel passage. He is headed for Jerusalem and all that awaits his arrival. It's not an easy road to travel but he is determined to travel it nonetheless.

He is anxious to have travelling companions but only ones that are willing to go the extra mile, even if unsure where that mile will take them.

We remember and offer companionship to those who may find themselves on an uncertain road at this time. We pray that they find, in the determination of Jesus, the strength and hope needed for the journey.

PLEASE PRAY FOR

We remember at this time, Jane Kenny Urlaur, Wolfgang Lichtblau, Magheraboy and Michael Nagle, Killarney (*husband of the late Kathleen O'Donnell, Egool*) all who died during the week and those whose anniversaries occur around this time. May they rest in peace.
