MISSION STATEMENT

The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. Fáilte roimh gach éinne.

Tenth Sunday of the Year - 5th June 2016

BLESSED ARE YOU

If you woke up this morning with more health than illness, you are more blessed than the million who won't survive the week.

If you have money in the bank, in your wallet, and spare change in a dish someplace, you are among the top 8% of the world's wealthy

If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture or the pangs of starvation, you are ahead of 20 million people around the world.

If you can hold someone's hand, hug them or even touch them on the shoulder, you are blessed because you can offer God's healing touch.

If you attend a church meeting without fear of harassment, arrest, torture, or death, you are more blessed than almost three billion people in the world.

If you can read this message, you are more blessed than over two billion people in the world that cannot read anything at all.

If you have food in your fridge, clothes on your back, a roof over your head and a place to sleep, you are richer than 75% of this world.

IF any of these apply to you and our lives we are so blessed in ways we may never even know.

The Tellus survey, collecting the latest geological information across Ireland, is due to commence its next airborne surveying phase over counties Galway, Mayo and neighbouring parts of Roscommon, Offaly, Clare and Tipperary from early June 2016. The survey involves an aircraft flying at a low height (60m). The sound of the plane is similar to that of a passing lorry; however it may startle sensitive animals such as horses, pedigree cattle, sheep-in-lamb and poultry flocks. Ground sampling of counties May, west Galway and north Clare has already commenced and will run through to the autumn months. Samplers – who work in pairs and carry I.D. - will be collecting soil and stream samples. If you have concerns, particularly if you own sensitive livestock, you can contact the Tellus Freephone information line on 1800 303 516 or visit www.tellus.ie
