MISSION MONTH

We have a job to do this October as we celebrate Mission Month. There are approximately 1,500 Irish born missionaries working in more than 80 countries. They continue to spread the Gospel through their work, their deep commitment to the people they serve and their Faith. In essence, they lead by example and have helped to change, for the better, millions of lives all over the globe. It is fitting then that the theme for this year's Mission Month of October is 'That they may have life'...life in all its richness and dignity. The richness of knowing the Gospel and Jesus Christ and the dignity of having food to eat, a roof to sleep under and work to go to. Through *their* work, our missionaries strive to make all this a reality for the people they serve. 'The Society for the Propagation of the Faith' organises the Mission Sunday collection in all Churches nationwide, which this year takes place on the 19th October. We are invited to reflect on our call to bring Christ to others, while remembering to pray and to assist the young churches that they may have the spiritual and financial resources to grow and in turn announce the Good News. For further information on the world of the Propagation of the Faith or to make a donation please visit www.wmi.ie

PARISH MISSION

Our Parish Mission begins next weekend. Each of the four parish Masses will launch the Mission and it will continue until Friday evening, October 17th. On Sunday evening there will be a gathering for ALL the parish in Urlaur Abbey where we will celebrate Evening Prayer for Peace, share a few tunes and a bit of time together. A timetable is included in this week's bulletin, please make note of the times of different events and try to join us for as many of them as possible. If you can share this timetable and invitation with neighbours and family, please do! The theme of the Parish Mission is "Untying Knots", and comes from a picture of Our Lady that holds special significance in the life and ministry of our Holy Father, Pope Francis.

YEAR OF PRAYER 2014 CURRY

When misfortune touches our lives, we may feel frustrated or angry, we may feel disheartened and think we are failures. These are natural, understandable feelings but to stay with such negative thoughts does not help our development as persons or our growth as Christians. Failures, misfortunes, set-backs are not the end, in fact they can point to a new beginning and nowhere is this more clear than in Jesus dying on the cross. To those who carried out this deed and to so many others this was the end, Jesus and his following was destroyed, but how wrong they were; from that event a whole new movement of hope and love and goodness emerged. There are many problems and difficulties facing us a church today but let's not forget that Christianity has its roots in failure, and let us also remember the words of St. Paul, 'All things work together for good for those who love God'. We are praying for our diocese because we want the love of God to grow ever stronger in our hearts, a love to build our hope, to grow our courage and deepen our faith.
