## 5th Sunday of Lent – 6th April 2014

### LENTEN CAMPAIGN 2014

*Meabh Smith (Trocaire) with Ernestina*

As we near the end of Lent, it might be a good time to re-vest Trocaire's Lenten Campaign 2014. The particular focus of this year's campaign is the provision of water to remote parts of Malwai. We seek to support this campaign to the best of our ability.

I'm sure most people have noticed now the ongoing work around the installation of Water Meters at many and, in time, all homes. We find this concept strange and, most likely see it as another way of taxing our people. While there is undoubtedly truth in this and justification for our doubts, the work is a timely reminder that water is such a valuable resource.

It is at the root of everything we drink and taste. It is at the heart of every home and central to the day's very routine - from the shower to the flush of the cistern. Water is essential to our lives and, without it, we could not and would not survive.

Look at any recycling centre and immediately on display will be countless discarded water bottles. Think of our well organised 10K and the provision of water along the route to refresh and enliven. Everywhere we look, there is evidence of water's place in our lives. Yet, for those at the centre of this year's campaign, water is at a remove and, when available, likely to bring sickness rather than health, pains rather than ease and toil rather than rest.

There are many demands on all of us now and resources are unquestionably tighter than they have been heretofore but, like the widow praised in the Gospel for putting in her last coin, maybe we're asked to rise to the moment. A penny here, a 50c there and a Euro every now and again will go a long way. So for the time left this Lent, let our efforts count and let our Parish total help to make a difference.

---

*Due to changes in banking practice and limited opportunity to lodge coinage, could we ask that you return Trocaire boxes next weekend. This will assist us to lodge coinage before Easter. Where possible and if easily done could you round up to the nearest figure and convert to notes. Remaining boxes to be returned for Holy Thursday. Many thanks.*

## **CURRY-MOYLOUGH**

Curry-Moylough Parish is situated in south Co. Sligo, between Charlestown and Tubbercurry. It is a rural parish with the N17 routeway running through its centre. There are two churches in the parish. The Parish Church (the Church of the Immaculate Conception) in Curry was built between 1868 and 1872. It replaced an earlier wooden structure built in 1832. St. Patrick's Church, Moylough was built in 1889 also replacing an earlier (thatched) structure dating from 1828. Each centre has a modern primary school and parish facilities including St. Mary's Community Centre in Curry and Moylough Heritage Centre. Evidence of pre-Christian and early Christian settlement in the area is afforded by the Curry Torc c. 500 B. C. (British Museum, London) and the 8th century Moylough Belt Shrine (National Museum, Dublin). Fr. Leo Henry is the Parish Priest of Curry.
