Day for Life Prayer

Holy Mary, Mother of Love,
holding in your arms, the fruit of your womb,
graciously look upon our earth and remove from it
all that hardens our hearts and dims our eyes
to the preciousness of human life,
from the moment of conception to natural death.

Through the example of your tenderness
teach us the ways of compassion and love
that we may build up the civilisation of love
among us and a society that is truly worthy of
the human person.

Help us to reject all that contributes to a culture of
death, and to work with others of goodwill
in promoting the culture of life.

Bring us ever closer to your Son,
so that we may know the fullness of life that he
offers us and come to know that life more perfectly,
with you, and all the angels and saints,
in the eternal life of Heaven.

Amen.

Some years ago, when celebrating Mass in honour of St Raymond Nonnatus, the Patron Saint of expectant mothers and midwives, Pope Francis spoke simply and beautifully about what promoting a culture of life really means:

Jesus teaches us to care for life because it is the image of God, who is absolute life. We cannot announce anything else but life, and from the beginning to the end.

All of us must care for life, cherish life, with tenderness, warmth ... to give life is to open the heart, and to care for life is to expend one's self in tenderness and warmth for others, to have concern in my heart for others.

Caring for life from the beginning to the end. What a simple thing, what a beautiful thing ... So, go forth and don't be discouraged. Care for life. It's worth it!

*Homily of Cardinal Jorge Mario Bergoglio,
now Pope Francis, during a Mass
in honour of St Raymond Nonnatus,*
