The Parish of Kilmovee is a Christian Community, committed to making everyone welcome through meeting in liturgy, prayer and friendship as we bear witness to the love and compassion of Jesus Christ. Fáilte roimh gach éinne.

## The Feast of the Corpus Christi– 18th June 2017

## CORPUS CHRISTI

It's quite likely that no words in our Church's Liturgical vocabulary are more regularly spoken than these. The languages may differ but the meaning is solid and real. "The Body of Christ". Amen.

The Body of Christ - what does it mean to us and for us? It's about Jesus giving himself without limitation to us, one and all, that we might allow him enter and shape our very lives and choices. It's to do with realising we are part of a single body and that where any of its parts is hurting, the hurt is felt by all. It is about respect for and love of the Body of Christ.

There's a central call today to respect for Eucharist, in our turning of gaze towards it in Adoration of The Blessed Sacrament and in our reception of Holy Communion. These and all references to Eucharist need be rooted in Faith and acceptance of Christ. We need to make a real effort not to become casual in our approach, to remember the teachings of our tradition. Genuflection before the Blessed Sacrament is an almost singular honour. We seldom, if ever, would consider genuflecting in any other circumstance. Silence too, quite literally speaks volumes, in our attentiveness around the Blessed Sacrament and in church. It is always to be encouraged. Some go so far as to name it "Sacred Silence".

This respect for Eucharist - Corpus Christi - takes us beyond the moment and reminds us of the need to show respect always to one another, to feel each other's pain and to recognise "The Christ" within us all.
