### WORLD DAY OF THE POOR LOGO

Love not in word  
but in deed

2017

The dimension of reciprocity is emphasized in the logo of the World Day of the Poor. There is an open door, on the threshold of which are found two people. Both extend a hand; one to ask for help, the other with the intention of providing it.

In the end, it is difficult to figure out which of the two is the true poor person. or, better, both are poor. The one who holds out his hand to enter asks for sharing; the one who holds out his hand to help is invited to go out to share.

These are two extended hands that are found wherever someone offers something. Two hands that express solidarity and that prompt a person not to remain in the doorway, but to go to encounter the other.

The poor person can enter the house, once the person in the house has understood that help means sharing.

The words that Pope Francis wrote in his Message become all the more meaningful in this context: "Blessed are the hands that reach beyond every barrier of culture, religion and nationality, and pour the balm of consolation over the wounds of humanity. Blessed are the open hands that ask nothing in exchange, with no "ifs" or "buts" or "maybes": They are hands that call down God's blessing upon their brothers and sisters" (n.5).

### **WMOF2018 LAUNCH**

"Last Sunday, 12th November 2017 was a memorable day for our Diocese. The Diocesan Launch for WMOF2018 which took place in the Charlestown/Bellaghy Sports Complex in Charlestown was a marvellous celebration of 'Family' and all that that means to every individual. On behalf of the Diocesan Committee for the World Meeting of Families 2018, we would like to say a very sincere word of gratitude to every person who attended on Sunday last. To all the parishes across the diocese who took part and promoted the event to their very best - that was clearly evident,

and it is greatly appreciated. To the many people who had an active part in the celebration - they were wonderful! And to the several individuals on the Diocesan Committee who organised the planning, as well as the many helpers who assisted to ensure that the whole event would become the success it was, we extend our thanks. We are very grateful to Mr. Tommy Marren of Mid-West Radio for his personal assistance and his availability to attend and act as MC for the occasion. May this event bring the abundance of God's blessings on us at this time. And may the Holy Family of Nazareth remain the model and inspiration for us all throughout the 'Family' of our Diocese of Achonry." **(Bishop Brendan Kelly, Fr Gerry Davey on behalf of the WMOF2018 Diocesan Committee)**
