THE BAPTISM OF THE LORD

IN THE WATERS OF BAPTISM

We remember, this weekend, all who were baptized in the parish during 2020. Today, as we recall the Baptism of The Lord, we rejoice in the faith shared with each of these children and ask God's blessing for them throughout their lives and God's blessing on their families.

Rest in Peace

PLEASE PRAY FOR

We remember in prayer at this time all who died recently and all whose anniversaries occur around this time. May they rest in peace.

ADORATION

In keeping with NPHE and Government Guidelines, we will hold off resuming weekly Eucharistic Adoration for now. Hopefully we will return to this in February. If you are in the vicinity of any of our churches, know that you are welcome to call in, light a candle and spend some time in quiet prayer.

GETTING MARRIED

For those planning marriage in 2021 or who had to postpone the dates arranged for 2020, please confirm dates as soon as possible. If the wedding date you had planned is more than six months passed, you will need to contact the Register of Marriages to finalise new date. Please see accord.ie for 2021 pre-marriage course details.

SHAMROCKS' LOTTO

Congratulations to Stephanie Craughwell, the winner of €1000.00 to launch our 2021 Lotto season. The first draw is this weekend. You can still buy your tickets on line, by clicking into our Facebook page or from club officers. Thanks to all who have supported the lotto through the years. This is the Club's main fundraiser and your support is very much appreciated.

COMMUNITY WEBSITE

The Community Website kilmovee.info is currently undergoing some updates. Sincere thanks to Rupert Davis who initiated and maintained this site through the years. Rupert's recording of some key moments in our parish, not least through his excellent use of the camera, is much appreciated. The next chapter of the community website hopes to harness as much content and information as possible, from the various groups active throughout the parish, Voluntary, Sporting and others. If you would like to have information included on the website or include a "page", please get in touch with the team at Kilmovee Community Centre and this can be arranged. The site is only as good as its content and the content will hopefully be very much community centred so please get involved.

Parish Cam

streamed from there, we have been using a mobile broadband connection. Currently checking to see if this would work for a permanent camera and should have word back in the coming days.

SCHOOLS CLOSED

Wishing pupils, teachers and their families every blessing as we face some more weeks of school closure. Thanks to our teachers who are setting in place, ways and means of keeping in contact with their pupils and families.

LIVING WELL PROGRAMME

A Living Well Programme begins on Monday 18th January, running from 7.00pm-9.30pm, and on Thursday February 18th from 10.30am-1.00pm. If you are living with a long term health condition you may be interested in doing the Living Well Programme. This is a free, six week programme delivered online in 2.5 hour weekly sessions where you

will learn new skills to manage your health condition on a day to day basis. More now than ever it is important we look after our mental and physical health. You can contact: Olga on 086 6078950 or contact her by email at olga.maguire@mayocil.ie Additional info on www.hse.ie/livingwell

HOME VISITS

During Covid-19, level 5 restrictions we are told to stay at home as much as possible. I am aware of some people in the parish who have not been too well and I have considered home visitation but have held off. For this reason I did not visit homes for the First Friday of January. Please know that I am available and happy to visit your home, if there is need and will observe the guidelines. Please do not hesitate to contact me if there is any need. We must continue to watch out for one another in these difficult and challenging times.

NIGHT PRAYER

Thanks to all who join for Night Prayer "on-line". We will continue to do this for the time being. Times might vary but, give or take, around 10pm each night, Monday to Friday. You will find the text for Night Prayer (might be slight variation in phrasing) at this link <https://universalis.com/compline.htm> It is good for us to pray together.

THANK YOU

Many thanks to all who supported the Christmas Collection. I realise this was not easily done this year and thank you, all the more, for your effort and loyalty. Neither is taken, ever taken, for granted. Thanks also to those who have made some donations "on-line" via the Diocesan website. Finally thanks to all for your continued support of the parish during 2020. God bless you all.

Since lockdown, the Parish Webcam has been a very important means of keeping in contact with the life of our parish. This has been a blessing in so many ways and great thanks is due to all who "tune in" at home and away to keep involved in our times of prayer, celebration of Eucharist etc. In recent days, I have made some enquiries about extending this service to the church in Kilkelly and this will depend a lot on how broadband will work there. At present, for anything

OFFERTORY ENVELOPES 2021 AND ON-LINE DONATIONS

Thank you to all who have collected their Offertory Boxes for 2021. If you have yet to do so, please call to the churches when you can. We will leave the boxes for collection for a little longer than we usually do. If you are in a position to bring a box to a family member or neighbour, you might consider doing so. As mentioned before Christmas the Diocese of Achonry has set in place an "ON-LINE" Donation facility. Here you select your parish, the reason for the donation and make an on-line contribution. The diocese will forward your contribution to the parish. You can contribute to the Offertory Collection, Priest's Collection etc. There is a link to this on our Parish Website, kilmovee.org/donation Please note this is not intended as an additional contribution but rather one to replace your contribution when unable to attend church. Should you prefer to make your regular donation in this way, that is an option too. You can select to make a once off donation or set up a recurring donation for weekly, monthly intervals etc. If you are doing this, please include your Envelope Number when completing the On-Line Donation. Thank you.
