FIFTH SUNDAY IN ORDINARY TIME

## PRAYING FOR THE SICK

This weekend's gospel tells the story of Jesus curing Peter's Mother-in-Law, who had been struck low by fever. It is one of many accounts of Jesus curing people who were sick and these miracle stories are amongst our favourites in the gospel and a cause for great hope.

Quite often we pray for people who are sick, praying especially for those who are seriously ill and, sadly on occasion, it seems that our prayers have not been heard. This understandably upsets people and leads to a questioning around faith and the role of God in our lives. Real questions, everyday questions that are born of disappointment and despair.

When we pray, especially prayers of petition, we are asking God to intervene in a situation. We are really asking him to reverse an outcome that has been put before us, an unwelcome outcome that causes fear. Sometimes, thankfully, that happens and we rejoice. Other times our journey ends in tears. Is it that God chooses to hear some prayers and not others? Surely that can't be the case.

God's ways, we are told, are not our ways but God's ways never include the deliberate hurting of a person or the crushing of a Soul. When our prayers seem to go unanswered, it is possible, there is an explanation that rests beyond us. God's promise to us is to be with us always and there is no reason to believe that he does not keep that promise. His measuring of time is not ours and He sees what we don't.

It is not simple, it is often heart-breaking but prayer is never wasted.

## ST BRIGID'S DAY CROSSES

**A** word of thanks to John Shiel who made a large quantity of St Brigid's Day Crosses. These were blessed at the Morning Mass on the Feast Day and were left in Kilmovee Church and the other churches for collection. Every cross was taken and this was wonderful to see. A real sign of "faith" and the desire we have to connect with the best of our traditions. Thanks also to Lorraine and Sheila at Kilmovee Community Centre for making available to us a video on the art of making the Cross and to Bríd Moran and all at Cois Tine for promoting the traditions and helping us all to have a very meaningful celebration of St Brigid's Day.

distribution of Ashes. Will look at the possibility of leaving some Blessed Ashes (in small sealed bags) in the church that people might wish to take home. The Ashes will be dry and should just be sprinkled on the top of the head. This is the common way of distributing Ashes in many countries and was recommended for this year if gatherings were possible and Mass was taking place.
