SECOND SUNDAY OF EASTER

Six (little) Stories

1. Once all the villagers decided to pray for rain. On the day of the prayer, all the people gathered, but only one boy came with an umbrella. **That is faith.**
2. When you throw babies in the air, they laugh because they know you will catch them. **That is trust.**
3. Every night we go to bed without any assurance of being alive the next morning, but we still set the alarms to wake up. **That is hope.**
4. We plan big things for tomorrow in spite of zero knowledge of the future. **That is confidence.**
5. We see the world suffering, but still, we get married and have children. **That is love.**
6. On an old man's shirt was written, "I am not 80 years old; I am sweet 16 with 64 years of experience." **That is attitude.**

**Have a happy day and live your life like these six stories.
Remember, good friends are the rare jewels of life, difficult to
find and impossible to replace.**

HOLY WEEK CEREMONIES

Though there is no substitute, and never will be, for people being physically present in church, the viewing figures for those who joined us online over Holy Week are encouraging. It was great to see that so many people chose to connect with their Faith Story during these sacred days. We must give credit to technology for making this possible for us and, as we face brighter days, it is difficult to imagine social media, webcam and technology not continuing to play a significant part.

That said, people make places and we must maintain the absolute desire to be back together as people again, in the one place and at the same time, giving thanks to God, support to each other and being strengthened by God.

Thanks to all who assisted with the Holy Week Ceremonies. Though public worship was not possible, it seemed right to ask some of the people involved in ministries to take part over these days. I am thankful to all who agreed to do so. Your presence in word, music and song made a huge difference.

To all who worked around the churches, preparing them for Holy Week, many thanks too. All you do, so quietly and with such devotion, means more than you will ever know. The flowers, the Easter Gardens, the decorations and all that goes into making our churches so homely and welcoming is very much down to you all. Please know that what you do is not taken for granted and means a lot to all of us.

Please God, between now and Pentecost Sunday, there might be an easing in restrictions and we will be back together in time for the great Feastday of The Holy Spirit - the birthday of The Church.

Easter Holy Water - no more than the figures listed above, it was so heartening to know that many of you called to our four churches on Easter Sunday, to say a prayer, light a candle and collect Easter Holy Water. More than **400** bottles of Holy Water were collected. We pray that wherever this Water drops, that it will bring many blessings and lasting peace.
