22nd Sunday of The Year – 29th August 2021

God Bless You!

*"May the Lord bless you and keep you;
The Lord make His face to shine upon you,
And be gracious to you; the Lord lift up
His countenance upon you, and give you peace."
Bk of Numbers 6:24-26*

This blessing, which the Lord told Moses to give to God's people, is a wonderful way to start the new school and college year for our students as they return to education. The Lord is blessing you now and throughout the entire year, and the Lord will give you peace. Our prayer for our students and educators is that they will all be safe and happy during this new academic year. Keeping this thought with us each morning will help our students and staff travel through the school day and throughout the new school year with confidence that we are not alone and that God is with us to bless us daily.

We will celebrate the sacraments of Confirmation and First Holy Communion with our young people during this month of September. We invite you to remember all of these young people in your daily prayers. We appreciate the support of our parents, guardians and teachers in helping to prepare our children for the celebration of these wonderful sacraments and it is a joy to be part of these significant occasions in the lives of our youth within the Christian community.

Let us pray:

Dear Jesus, sometimes I forget that you want me to live a blessed life. Help me remember each day that staying close to you is the secret to life's blessings and peace. Amen.

WALKING THE OLD WAYS IN KILMOVEE

Kilmovee Heritage celebrated National Heritage Week 2021 14th – 22nd August with two free guided walks of the sites and monuments on our ancient Heritage Trail. Participants on the guided tour were treated to the facts and folklore that make the Kilmovee landscape such a fascinating and important area of cultural heritage.

The trail has a unique group of archaeological features spanning nearly 6,000 years of history.

From the ancient outdoor cooking sites to the rare triple Bullaun stone, the 5th century Ogham stone and the mighty Kilcassel stone fort, the history of the area was brought to life through storytelling.

One of the participants, who grew up in the area said “It was a great, informative day out. I used to play in the cashel when I was young and I never knew we had such amazing history around here”.

Thank you to all who came along and made the guided tours so enjoyable. Kilmovee Heritage would also like to acknowledge Mayo Genealogy Group and the National Museum of Country Life for choosing Kilcassel stone fort as the image for the *Daoine agus Áit – Connecting our Communities* project. Call into Kilmovee Community Centre and pick one up for free!

Thanks to Lorraine Campbell, Heritage Coordinator, the musicians and the team at Kilmovee Community Centre for making the events so enjoyable.

Below is the picture of Kilcassel Stone Fort, Kilmovee, mentioned above

Good luck to all students returning to school, college or university in the coming days and weeks. May God keep you safe and well in your studies.
