## 23rd Sunday of The Year – 5<sup>th</sup> September 2021

### LIFE IS NOT FAIR

"These last worked only one hour,  
and you have made them equal to us  
who have borne the burden of the day' "...

But he replied, ...

'Friend, I am doing you no wrong...'

So the last will be the first,  
And the first will be the last."

*Matthew 20: 12-16*

In the famous story of the labourers in the vineyard, the owner pays all the workers the same amount, whether they worked all day or only one hour. Those who worked all day go the wage agreed upon, so no justice was done to them. The others got a generous gift. Of course, that seemed unfair to some. Jesus points out that the owner can be as generous as he wants. He chastises the unhappy workers for being envious of the owner's generosity.

When has life seemed unfair to you? Is it really unfair, or are some people being treated differently because of a special reason?

Let us pray:

God of justice, assist us in not being judgemental about who is treated fairly and who is not. Empower us to focus on being fair and generous in all our dealings with others.

Amen.
