Promises of the Heart

"But this is the covenant that I will make with the house of Israel after those days, says the Lord: I will put my law within them, and I will write it on their hearts."

Jeremiah 31:33

Remember how the covenant that God made with the Israelites was inscribed on stone tablets? Today we often summarise it as the Ten Commandments. About seven hundred years after God made that covenant with Israel, God spoke to Jeremiah and said a new covenant was coming that would be written on the people's hearts. In other words, God was going to have a more intimate relationship with his people.

When you consider your relationship with God, is it a relationship of rules or does it come from your heart? How do you allow God to speak to your heart?

Dear Jesus, you have revealed a personal side of your relationship with us by calling us friends. Help us to relate to you and your Father as loving persons who speak to us through our hearts.
