33rd Sunday of The Year – 14th November 2021 **November; Month for the Dead**

A long standing tradition in the Catholic Church is to use the month of November to remember our beloved dead. The shorter days and longer nights, the falling coloured leaves, the dominate colours of brown and grey together with the drop in temperatures can turn our thoughts to the death made necessary to bring forth new life later on.

We remember the words **"life has changed not ended"**. One of the beautiful aspects of our Catholic faith is our confidence that we remain connected with our loved ones who have gone to be with the Lord in Heaven.

When we say in the Apostles Creed **"I believe in the communion of the saints"** we express our appreciation of our union in the pilgrim church here on earth and with those who have died, those who are in heaven and those who are on their way to heaven. We remember them and we celebrate their lives because we believe in Jesus our risen Lord.

During the month of November we reflect on the great mysteries of life and death that are at the core of all our lives.

PLEASE PRAY FOR

Please pray for Maureen Turner, Egool and Nottingham who died recently and for all those whose anniversaries occur around this time. May they all rest in peace.
