***Celebrating Catholic Schools Week- 23<sup>rd</sup> – 30<sup>th</sup> Jan 2022***

**The theme for Catholic Schools Week this year is:  
Catholic Schools: Living Life to the Full.**

As we adapt to the many challenges and changes that the COVID-19 pandemic has caused, we are given the opportunity to reflect on the things that give our lives meaning. For some, it is family, friends, community sports or hobbies. For Catholics, it is God's love and wish for us to know and love Him that gives life ultimate meaning. Jesus Christ is the revelation of this love, realised through his life, death and resurrection. In response to this, we reflect upon how Catholic schools are communities where we live life to the full.

Every Catholic school fosters the holistic development of its students, promotes their wellbeing and encourages them to learn and nurture their talent and skills. Each child has the potential to change the world for the better, making it a kinder, more inclusive and more welcoming place. This week, we celebrate the gifts and talents we have in following Jesus' teaching. This year, we celebrate how we are called to be communities of faith and resilience, through our thoughts, words and actions.

In doing so, we follow the words of Jesus in John's Gospel:

***"I have come that you may have life, and have it to the full"***

***(Jn10:10)***
