**Rooted in God**

**"Blessed are those who trust in the Lord,  
They shall be like a tree planted by water,  
It shall not fear when heat comes,  
and it does not cease to bear fruit.**

**Jeremiah 17:7-8"**

The prophet Jeremiah is reminding us that we need to be rooted in God to be able to endure the many disappointments, sufferings and hardships of life. Being rooted in God gives us the strength and endurance to weather the storms that come our way. This has been our experience over the past two years due to the pandemic. As we emerge from some of the government restrictions it is important to be reminded that if we are rooted in God then we need to make a conscious effort to reflect on God's presence in our lives.

At this time, let us pray for God's guidance and support to act in a way that reflects Christ's values and teachings that we are reminded of, during his preaching in the synagogue as detailed in our Gospel today. To be rooted in God also means to be connected to the Body of Christ, the Church.
