## **Martha and Mary**

St Luke seems to have been fascinated by food! He recalls at least ten meals in his Gospel; today he introduces us to Martha and Mary who welcomed Jesus into their home. The sisters represent two ways of serving Jesus. Martha represents the active life cooking the meals, helping and doing good for others while Mary represents a contemplative life giving priority to listening to the words of Jesus. Both represent an important aspect of our relationship with Jesus. There is a time for giving and a time for receiving. At Mass, like Mary, we sit and listen to the word of God whereas like Martha, we offer the fruit of the earth and the work of human hands to be shared with others within our Parish.

Please pray for all those whose anniversaries occur around this time. May they all Rest in Peace.
