## **Feast of Christ the King November – Remembering our Dead**

We all have wonderful memories of loved ones; memories stretching back over years, that can be painful initially, but can be more comforting and less painful as time goes on. We remember all those who touched our lives in so many ways, family and friends, neighbours and colleagues. We also keep in our prayers and open our hearts to those who mourn loved ones. It is a loving act to pray for our dead. Throughout the month of November we pray for our departed loved ones as their names are placed in front of the altar. We pray for them in the parish whenever we celebrate daily Mass. During this month of remembrance it is good to drop into a church for a quiet moment and light a candle or gather at home beside a picture of our deceased. As we remember them we turn to God the source of eternal life and pray as did Jesus, Mary and St. Joseph sharing their hope and trust in God.

**Eternal rest grant unto them O Lord  
and may perpetual light shine upon them.  
May they rest in peace.**
