## **First Sunday of Advent**

**26<sup>th</sup> / 27<sup>th</sup> November 2022**

In preparing for the celebration of Christmas, we are challenged to discern what is best for us in our lives. "Best for us" means best not in a selfish or self-centred way, but best in terms of what Christ expects of us and how well we are contributing to the Kingdom of God. It is not always easy to know what Christ wants of us. However as St. Paul reminds us we need more knowledge and insight to be in tune with Christ's message and this happens through prayer. That is why during Advent the Church calls us to slow down, take time to be quiet and reflect on the scriptures as a form of Advent prayer.

Dear Jesus, these are busy days I have a lot to do to get ready for Christmas so help me to take time off to reflect on what is important this season – giving to others in your name. Amen.

### ***POST COMMUNION REFLECTION***

Out of the depths I cry to you, O Lord.  
Lord, hear my voice: let your ears be attentive to the  
voice of my pleading.  
If you, O Lord, should mark our guilt,  
Lord, who would survive?  
But with you is found forgiveness,  
for this we revere you.  
My soul is waiting for the Lord. I count on his word. My  
soul is longing for the Lord, more than watchman for  
daybreak.  
With the Lord there is mercy and fullness of redemption.  
Israel indeed He will redeem from all its iniquity.
