2nd Sunday in Ordinary Time - 15th January 2023

Small things do count!

“For God is just; he will not overlook your work and the love that you showed for his sake”. Hebrews 6:10

Sometimes when we think of saints and holy people, we think of the people who do great or courageous deeds or public acts. It is a mistake to think only of those. Small acts can make a big difference in some person's life. The person who receives an act of kindness can have their whole day and sometimes even their whole life changed. Whether you offer to accompany someone on a journey, give someone a smile when you meet them, help another student understand an assignment he/she is struggling with or tidy up the house without being asked, God will not overlook these acts of kindness and doing such things as a way of life is what makes someone Christ like or a saint.

Let us pray:

Dear God, help me to open my eyes today and discover where I can do an act of love for your sake. Amen.

POST COMMUNION REFLECTION

Lord Jesus

I give you my hands to do your work.

I give you my feet to go your way.

I give you my eyes to see as you see.

I give you my tongue to speak your words.

I give you my mind that you may think in me.

I give you my spirit that you may pray in me.

Above all I give you my heart that you may love
in me, love God the Father and all humankind.

I give you my whole self that you may grow in
me, so that it is you Lord Jesus who live and work
and pray in me. Amen
