**Whose Faith Is It?**

It's always interesting for us to reflect on our Christian faith. Sometimes we have the faith that we do because it's our family tradition. Sometimes it begins with us. In either case, at a certain age we must make a choice and a conscious decision about it for ourselves. It is an important decision, more important than what college to attend or what job to choose. Other people may even make fun of our choice to live a life of faith pleasing to God. But we have God's promise of grace to be with us in both choosing and living our faith. Our faith in God is based on the example and support of our fellow Christians within our communities and we are given the responsibility to share our faith with others and enrich their lives.

Let us pray:

Dear Jesus, I ask for the gift of faith that I might believe in you and follow you all the days of my life and share your message. Amen.
