5th Sunday in Ordinary Time

**11th February – Feast of Our Lady of Lourdes
World Day of the Sick**

Our Holy Father, Pope Francis reminds us that illness is part of our human condition as we celebrate World Day of the Sick on the feast of Our Lady of Lourdes. If sickness is experienced in isolation and unaccompanied by compassion and loving care it can become inhumane. When we go on a journey with others it is not unusual for someone to feel ill, to have to stop because of fatigue or of some mishap along the way. It is precisely in such moments that we see how we are walking together and are truly companions on the journey with each other. Pope Francis invites all of us to reflect on the fact that it is especially through the experience of vulnerability and illness that we can learn to walk together according to the style of God which is closeness, compassion and tenderness. In the Gospels, Jesus gives us this wonderful example of his love for those who were ill and their families and friends as they expressed their trust in God.

Our Lady of Lourdes, Pray for us.

St Bernadette, Pray for us.

GROW IN LOVE

A meeting of the parents of the First Holy Communion children will be held in the **KCC** on Wed 8th February at 8pm.

POST COMMUNION REFLECTION

My God you have created me to do some work in your service which you have not given to any other. I have my place in your plan, therefore I will trust you in all things. If I am sick, my sickness may serve you. If I am in sorrow, my sorrow may serve you. You do nothing in vain, you may take away my friends, you may hide my future from me. Still you know what you are doing and my God I trust you.

Amen
