Third Sunday of Lent

11th / 12th March 2023

St Patrick – Our Patron Saint

We had courage in our God to declare to you the Gospel of Christ in spite of great opposition. For our appeal does not spring from deceit or impure motives.

1 Thessalonians 2.2

There are so many legends and myths about St Patrick that it is difficult to know who he really was. But some of what is known to be true is that he was captured and sold as a slave in Ireland when he was a teenager. He endured cold and hunger as a shepherd during that time, but escaped, probably to France, where he was educated to become a priest. As a convert Patrick had a dream to bring Christianity to Ireland, which, over many years of hard work, he accomplished. St Patrick was humble but always determined in carrying out his life's dream to share the gospel message of Jesus Christ with the Irish people. As we honour St Patrick this week we thank God for his generosity.

Let us pray: What dream do I have for my future, Lord? What would you want me to accomplish? Through the intercession of St Patrick, help me discover my life's mission and carry it out with determination and humility following the example of St Patrick, our Patron Saint. Amen.

POST COMMUNION REFLECTION

May God support us all the day long,
till the shades lengthen
and the evening comes,
and the busy world is hushed,
and the fever of life is over and our work is done.
Then in his mercy, may he give us a safe lodging,
a holy rest and peace at the last.

Amen
