Second Sunday of Lent

4th / 5th March 2023

LIVE THE GOOD LIFE

*Put to death, therefore, whatever in you is earthly:
– Colossians 3:5*

The message here is not to hate the world or hate this life. Quite the opposite, this world is a creation of God, and Jesus entered completely into His life on earth. We are to live a joyful life following Christian values. However, Christian value sometimes conflict with the values of this world, such as the desire for money and material possessions. Setting our mind on the things above means caring for other people more than we care about the latest music, the best wardrobe, or the most popular friends. It means trying to live the Beatitudes that Jesus gave us as our guidance for life.

Let us pray: Dear Jesus, help me to live a good life by valuing the things that you taught us are important, especially during this season of Lent. Amen.

Please pray for
all those who have
died recently and for
those whose
anniversaries occur
around this time.
May they all
Rest in Peace.
