**Easter Sunday - 9<sup>th</sup> April 2023**  
**Day of the Lord's Resurrection**

Easter is the most important day in the year for all Christians. It is the celebration of the rising of Jesus from the dead. It is the beginning of a whole new way of looking at life and we, as Christians, look upon life no longer through our eyes, but through the eyes of the One who broke through the terror of death and into a new way of being.

No one, faltering or steadfast, has an easy journey to the risen Lord. We all take wrong turns. We all make mistakes. Mary Magdalene, St Peter, and St John the Beloved Disciple were no different. They are our companions on our journey to faith in the risen Lord. They assure us that there is room for each of us, for one who sees and believes, for another who sees and is confused, and yet another who needs to hear her own name. These three companions give us fresh hope that despite our weaknesses and failings, we too can come to the fullness of eternal life and proclaim the joyful news of the Resurrection.

**POST COMMUNION REFLECTION**

Lord, we are your people, the sheep of your flock. Heal us when we are wounded, comfort us when we are in pain. Touch us when we are lonely. Strengthen us when we are weak. Help us to know the Father's love through Jesus the shepherd and through the Spirit. Help us to lift up that love, and show it all over this land. Help us to build love on justice and justice on love. Help us to **Believe** mightily, **Hope** joyfully, **Love** divinely. Renew us that we may help renew the face of the earth.

Amen.
