1st November – All Saints Day

The Christian festival of 'All Saints Day' comes from a conviction that there is a spiritual connection between those in Heaven and on Earth. In Catholic tradition, the holiday honours all of those who have passed on to the Kingdom of Heaven. The Communion of Saints is made up of men and women who have placed their hope in Jesus Christ through Baptism. The Communion of Saints includes the living and the deceased, whether they are with God in heaven or undergoing a process of purification. Before his death, Saint Dominic said, "Do not weep, for I shall be more useful to you after my death, and I shall help you then more effectively than during my life." In a very special way, on the Solemnity of All Saints, not only can we pray to the Saints, but we can also call upon our departed brothers and sisters, who we believe are already with God in heaven by virtue of their Baptismal promises.
