18th / 19th November 2023**

November - Month of the Dead

In November, the church invites us to pray for the souls of the faithful departed and to prepare for our own death. During this month we pray in a special way for all the souls in Purgatory undergoing purification and growing in love before they are ready to see God face to face in Heaven.

It is important that we maintain our relationship of love and faith with the deceased and that we view death and the afterlife in the light of the Scriptures. By remembering those who have gone before us, we are connected with the history of human existence. At the end of life, death can deprive us of what is mortal, but it can never deprive us of what is divine. Having been stripped of mortality we will be clothed in a robe of immortality. November allows us to be grateful for the life we have been given, for the people who have shared our lives and who have loved and supported us here on Earth. Saint Ambrose wrote:

"We loved them in life, let us not forget them in death."
