**A Letter from Heaven**

To my dearest family, there is something I would like to say, but first of all, to let you know I have arrived okay. I am writing this from heaven where I dwell with God, where there are no more tears or sadness, just eternal love. Please do not be unhappy just because I am out of sight. Remember I am with you every morning, noon and night. God picked me up and hugged me, and said, I welcome you. Then God gave me a list of things He wished for me to do. The foremost on that list of mine was to watch and care for you. One thing is for certain, though my life on earth is over I am closer to you now than I ever was before. There are rocky roads ahead of you with many hills to climb, but together we can do it taking on day at a time. When you are walking down the street and you've got me on your mind, I am walking in your footsteps only half a step behind.

**And when that time for you to go, from your body to be free,  
Remember you are not going; you are coming here to me.**

**DEATH  
NOTICES**

Please pray for  
**Elizabeth  
Buckley** (nee  
Bones), Culmore  
& Dublin and for  
all those whose  
anniversaries  
occur around this  
time. May they all  
rest in peace.
