**Second Sunday of Advent**

10<sup>th</sup> December 2023

**Advent: A time of waiting**

**Advent** is a time of **waiting**, **conversion** and **joyful hope**:

**waiting** - memory of the first, humble coming of the Lord in our mortal flesh; and also waiting - supplication for his final, glorious coming as our Lord and our Saviour, Jesus Christ.

**conversion**, to which the liturgy at this time often refers quoting the prophets, especially John the Baptist, 'Repent for the Kingdom of Heaven is near at hand,'

**joyful hope** that the salvation already accomplished by Christ and the reality of grace in the world will mature and reach their fullness thereby granting us what is promised by faith and 'we shall become like him for we shall see him as he really is'.

Popular piety is particularly sensitive to Advent, especially when seen as the memory of the preparation of the coming of the Messiah in the Old Testament, while the Christian people are deeply conscious of the long period of expectation that preceded the birth of our Saviour in the New Testament.

**DEATH

***POST COMMUNION REFLECTION***

Thank you Lord for the little things that often come  
our way. The things we take for granted and don't  
mention when we pray. The unexpected courtesy, the  
thoughtful, kindly deed. A hand reached out to help  
us in the time of sudden need. Oh, make us more  
aware, dear Lord of little daily graces. That come to  
us with sweet surprise from never dreamed of places.  
Amen
