**2<sup>nd</sup> February 2025**

**Jubilee Year 2025:**

**A time of Hope and Renewal**

We should not only live in hope, but we should be beacons of hope for others especially those who are suffering or marginalised. We should be a sign of hope for the elderly, the infirm, the prisoner and those forced from their homelands by war, famine or economic necessity. Pope Francis urges us to have hope.

During this 2025 Jubilee Year, we are called to embrace this unique opportunity to renew our faith, experience God's mercy, and become true "Pilgrims of Hope" in our daily lives. This Holy Year invites us to look forward with hope, trusting in God's infinite love and mercy as we journey together in faith.
