Catholic Schools Week 2025 – Alive in Christ!

“Christ is alive! He is our hope, and in a wonderful way he brings youth to our world, and everything he touches becomes young, new and full of life. The very first words, then, that I would like to say to every young Christian are these: Christ is alive and he wants you to be alive!” – Pope Francis

Reflecting on the theme, Catholic schools will explore what it means to be fully alive as a human being – living life to the full in Christ. Sensitive to the age appropriateness of the various classes and years, the theme will explore how we exist for one another in Christ, building from the wellbeing of the individual, extending the notion of true wellbeing to others, to our families and communities, and to The Other, in God. The theme will meditate on hope, the true purpose and meaning of human life, and, in the more senior years, on true freedom.

As is usual, this theme will be connected at primary level with Grandparents' Day, and at post-primary level with the Family.

POST COMMUNION REFLECTION

Watch Thou O Lord over those who wake or watch or weep tonight, and give your angels charge over those who sleep. Tend your sick ones, O Lord Jesus Christ, rest your weary ones, bless your dying ones, soothe your suffering ones, pity your afflicted ones, shield your joyous ones, and all for your love's sake. Amen
