Pilgrims of Hope Jubilee Year 2025

Since the beginning of the year, many Catholics the world over have been reflecting with Pope Francis on what it means to be a pilgrim of hope. As we are pilgrims on a journey we will all come from different places, have different starting points, travel different routes, meet different people along the way, encounter different challenges but our final destination is one and the same. As Christians we believe that our journeys end is Heaven and that Jesus is the way the truth and the life.

Pope Francis in his prayer for the Jubilee Year expresses it in this way:

"May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of Heaven."
