## **Pilgrims of Hope Jubilee Year 2025**

We do not have to map out our journey painstakingly ourselves. Jesus is the Way and the Gospel is our guide book. Many have made the journey before us and have reached their destination because they kept referring to God as their guide and the Bible as their guide book.

There are those among former pilgrims whom the Church has canonised, because Jesus was their compass point and they followed the way He took, unhesitatingly and with complete trust. The lives of these Saints are "lights of hope", "true stars" as Pope Benedict expresses it in his Encyclinal *Spe Salvi*, whose example, offer us encouragement and challenge during these days of Lent. Not only that but they are as it were, rooting for us from Heaven, interceding on our behalf because they want us with them in eternity.
