Third Sunday of Easter

May 3rd & 4th 2025

Prayer and Love

May your people exult for ever in renewed youthfulness of spirit

On the shore of the sea of Tiberius the Risen Lord lit a fire of burning coals and cooked a breakfast of fish. He didn't just cook the breakfast, He served the food to the Apostles. They say that the way to someone's heart is through their stomach. Food and cooking is all about love. The people who give you their food give you their heart. Just as washing the disciples' feet revealed his love for them, so too did cooking this simple breakfast. Love is the highest virtue but best served in down-to-earth and humble service. Over breakfast Jesus asked Peter, "Do you truly love me?" three consecutive times, mirroring Peter's triple denial. If Jesus were to ask us too,

"Do you truly love me" – How would you answer Him?
