**Prayer of St. Francis of Assisi**  
**Laudata Si 2015-2025**

Praised be you My Lord with all your creatures especially  
Brother Sun who is the day and through whom you give us light.  
He is beautiful and radiant with great splendour and  
bears a likeness of you Most High

Praised be you My Lord through Sister Moon and the stars in Heaven  
you formed them clear and precious and beautiful.

Praised be you My Lord through Brother Wind and through the air,  
cloudy and serene and every kind of weather through whom you give  
sustenance to your creatures.

Praised be you My Lord through Sister Water who is very useful  
and humble and precious and chaste.

Praised be you My Lord through Brother Fire through whom you light  
the night and He is beautiful and playful and robust and strong.

## **POST COMMUNION REFLECTION**

Thank you Lord for the little things that often come our way. The things  
we take for granted and don't mention when we pray. The unexpected  
courtesy, the thoughtful, kindly deed. A hand reached out to

from never dreamed of places. Amen
