September 6th & 7th

Diocese of Achonry - Safeguarding Children

As a constituent member of the Catholic Church in Ireland we in the Diocese of Achonry recognise and uphold the dignity and rights of all children. We are committed to ensuring their safety and well-being and will work in partnership with parents and guardians to do this.

We recognise each child as a gift from God and we value and encourage their participation in all activities that enhance their spiritual, physical, emotional, intellectual and social development. All church personnel (including clergy, religious, staff and volunteers) have responsibility to safeguard children through promoting their welfare, health and development in a safe and caring environment and support their best interests and prevent abuse.

**Thank you to all the children who have served Mass
over the past number of years in our Parish community.**

**DEATH
