**Choose a life that matters**

What will matter? How will the value of your days be measured?

What will matter is not what you bought but what you built;  
not what you got, but what you gave.

What will matter is not what you learned, but what you taught.

What will matter is every act of integrity, compassion, courage  
or sacrifice that enriched, empowered or encouraged others  
to emulate your example.

What will matter is not your competence, but your character.

What will matter is not how many people you knew,  
but how many will feel a lasting loss when you're gone.

What will matter is not your memories,  
but the memories that live in those who loved you.

What will matter is how long you will be remembered  
by whom and for what.

Living a life that matters doesn't happen by accident.

It's not a matter of circumstance but of choice.

Choose to live a life that matters.
