Christ the King of the Universe
A Letter from Heaven

To my dearest family, there is something I would like to say,
but first of all, to let you know I have arrived okay.

I am writing this from heaven where I dwell with God,
where there are no more tears or sadness, just eternal love.

Please do not be unhappy just because I am out of sight.

Remember I am with you every morning, noon and night.

God picked me up and hugged me, and said, I welcome you.

Then God gave me a list of things He wished for me to do.

The foremost on that list of mine was to watch and care for you.

One thing is for certain, though my life on earth is over

I am closer to you now than I ever was before.

There are rocky roads ahead of you with many hills to climb,
but together we can do it taking one day at a time.

When you are walking down the street and you've got me on your
mind, I am walking in your footsteps only half a step behind.

**And when that time for you to go, from your body to be free,
Remember you are not going; you are coming here to me.**

POST COMMUNION REFLECTION

My God you have created me to do some work
in your service which you have not given to
any other. I have my place in your plan,
therefore I will trust you in all things.

If I am sick, my sickness may serve you.

If I am in sorrow, my sorrow may serve you.

You do nothing in vain, you may take away
my friends, you may hide my future from me.

Still you know what you are doing and
my God I trust you.

Amen
