## **Why Sunday Matters**

Sunday has always been the way of the Lord: the day of the resurrection, the day of rest, the day of Eucharist. From the very beginning of our Christian faith, Sunday has been central to the life of the Church and remains the heart of Christian practice. It is on this day, Sunday, that we gather as a community united in our love for Christ, to encounter the risen Lord and be nourished in body and soul.

The Mass is not just a ritual it is the source and summit of our Christian faith. It is where we encounter Christ in His living presence and it is through the Mass that we are strengthened to live as true Disciples of Christ. As we come to the sacred celebration let us do so with hearts full of gratitude and thanksgiving for the precious gift of Christ's Body and Blood.
