The Ascension of the Lord bold

God's great love for us is shown by His sending His Son Jesus to be one of us, to be our brother and our friend, to show us how to live and to share eternal life with us. God knew that assuming human nature and dealing with all the situations we run into was not going to be easy. So He gave us the best He had as a role model – His only Son Jesus Christ and on this day we reflect on the fact that the best news is that after His Ascension, Jesus is here with us twenty-four seven as the expression goes. Believe in Jesus and tap into the power and life He makes available to us every moment of every day but most particularly on this Ascension Day.

Let us pray: Dear Jesus please help me to be aware of your availability and your presence as I struggle to live my life as you lived yours here on earth. Amen

And a holy rest and peace at the last.
Amen
