Mary, Mother of Hope

Hope finds its supreme witness in the Mother of God. In the Blessed Virgin, we see that hope is not naive optimism but a gift of grace amid the realities of life. Like every mother, whenever Mary looked at her Son, she thought of his future. Surely she kept pondering in her heart the words spoken to her in the temple by the elderly Simeon: 'This child is destined for the falling and rising of many in Israel, and to be a sign that will be opposed, so that the inner thoughts of many will be revealed - and a sword will pierce your own soul too'. At the foot of the cross, she witnessed the passion and death of Jesus, her innocent Son. Overwhelmed with grief, she nonetheless renewed her 'fiat'; never abandoning her hope and trust in God. In this way, Mary co-operated for our sake in the fulfilment of all that her Son had foretold in announcing that he would have to 'undergo great suffering, and be rejected by the elders, the chief priests and the scribes, and to be killed and after three days rise again'.

POST COMMUNION REFLECTION

My God you have created me to do some work in
your service which you have not given to any other.
I have my place in your plan, therefore I will trust
you in all things. If I am sick, my sickness may
serve you. If I am in sorrow, my sorrow may serve
you. You do nothing in vain, you may take away
my friends, you may hide my future from me.
Still you know what you are doing and my
God I trust you. Amen
